Are you a fan of talented actresses who can take on diverse roles and ace them? If so, let me introduce you to Elizabeth Olsen, a popular face in Hollywood who has won millions of fans with her exceptional acting skills.

Elizabeth may have started her career in the shadows of her famous sisters, but she quickly proved that she herself is a package full of

talents, earning critical acclaim for her roles in MCU films, such as the powerful Scarlet Witch. Now, it's time to dive into Olsen's life and much more!

IN A GIST

- WandaVision actress Elizabeth Olsen stands tall at the height of 5 feet 6 inches or 168 cm (1.68 m).
- Elizabeth Olsen is known for boasting a toned figure weighing around 56 kg or 123 pounds.
- Olsen is an American Actress born on 16 February, making her an Aquarius woman. Read along as we explore juicy insights from her career, measurements, and more!

How Old is Elizabeth Olsen?

One of Hollywood's most gorgeous and talented actresses, Elizabeth Olsen was born on February 16, 1989, and is enjoying her grand and busy life at the age of **34**.

Elizabeth Olsen's Pursuit of Hollywood

Elizabeth Olsen acquired formal education from Campbell Hall School, Tisch School of the Arts, Atlantic Theatre Company, and the Art Theatre School. Her acting career began at age five when she appeared in the 1994 television film 'How the West Was Fun.'

Olsen was also featured in the 'The Adventures of Mary-Kate and Ashley' video series and acted in plays like Dust and Impressionism. She also received singing and ballet lessons out of interest and auditioned for the Spy Kids movie.

She got her breakthrough in Hollywood in 2011 with the critically acclaimed commercial film 'Martha Marcy May Marlene.' She then appeared in many popular movies like Kill Your Darlings, Captain America: The Winter Soldier, Godzilla, the Avengers series, Wind River, and Doctor Strange in the Multiverse of Madness.

Olsen became more famous after appearing in television shows like Drunk History, Sorry for your loss, WandaVision, and Marvel Studios: Assembled.

Elizabeth Olsen has been awarded the Alliance of Women Film Journalists Award, Chicago Film Critics Association Award, and many other prestigious awards, celebrating her talents and hard work.

Elizabeth Olsen's Relationships

Elizabeth Olsen has been relatively secret about her relationships and kept her personal life private. But we've brought some insights from her past relationships for you!

Olsen's dating life started in 2012 when she reportedly started dating Alexander Skarsgard at Vanity Fair's Oscar Party, but they had to separate because of time issues.

From 2012 to 2015, Elizabeth Olsen dated an American Model, Boyd Holbrook, after meeting him on the sets of 'Very Good Girls,' and they even got engaged in 2014.

It was claimed that Elizabeth Olsen had a romantic fling with Chris Evans in 2014 and with Tom Hiddleston in 2015 when she met them on the sets of Avengers, and I Saw the Light, but both of these relationships turned out to be just rumors.

Elizabeth Olsen met independent musician Robbie Arnett in 2017 and got engaged to him in 2019. Elizabeth Olsen settled for him in 2020, when the couple finally tied the knot, living happily together ever since.
