Who is it?: MOVIE ACTOR

Height: 6 ft or 183 cm

Weight: 78 kg or 172 pounds

Zodiac sign: Cancer More Celeb

Cancer is sensitive and insightful. The emotional state of this sign directly depends on the relationship with other people and often changes. A change of mood leads to the fact that Cancers move from an active to a passive state. However, excellent intuition and attention to detail help them get out of the most difficult situations.
